Hi Tam,

Thank you for your email.

We have been explaining this matter in several emails for the past month or so,

The amount we are requesting, is the remaining payment from the original branding done for CAA.

according to your request, please see below the break down:

1- The original price quota for CAA = 303,850 including vat.

2- The remaining sum for payment is - 189,726 including vat.

3- in last May, Dan Alexander and CAA came to an agreement to forfeit an amount of 15,000\$ (3.75) – 56,250 ISL.

Now that we are finalizing the work specified in the original contract, we are requesting to be paid the remaining amount of the agreement - which is - 57,874 ISL including vat.

So actually you can look at this amount as the last payment for CAA branding process, and since most of it was done a while ago, we would appreciate receiving the payment ASAP, in one transfer.

Pleas don't hesitate to contact me for further information.

Best regards,

Ayuli
